

About Us

IPM is a Premier institute established in 2016 to spur growth of technical and vocational training in the Pension Industry and related sectors.

Founded to bridge the training gaps and promote competence standards necessary in serving the industry;
our ***mantra Bridge to Greatness.***

Focus

- ✓ Provide training: open, in-house & professional courses.
- ✓ Professional membership; Corporate & Individual
- ✓ Conduct research for policy formulation & advocacy and consultancy.

Rationale

- ✓ With Expansion of the pension sector ; there exist gaps in vocational and professional training that require capacity development to manage over Kshs 1.2 trillion in assets.
- ✓ The institute was founded to fill these gaps by providing continuous training tailored to the needs of the sector.
- ✓ Indeed, it is one of its kind in East and central Africa. Presence in Kenya and Zambia.

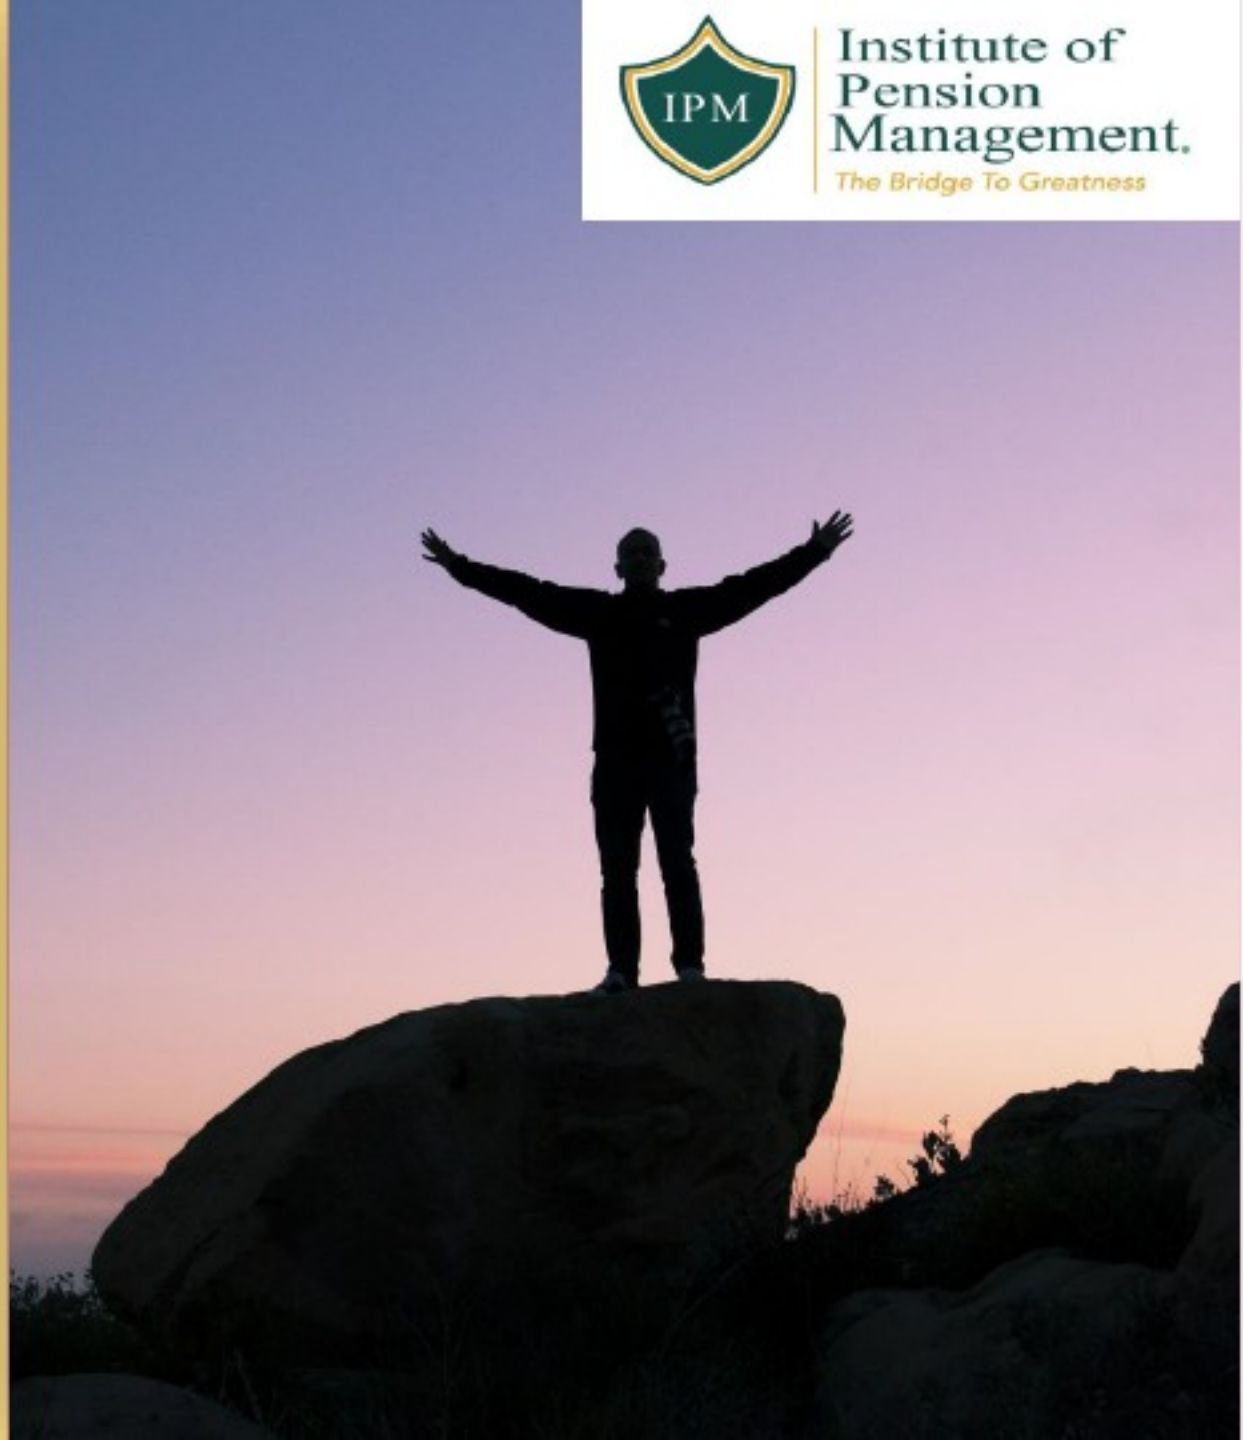

Vision

To be the Leading institute in knowledge advancement in the Pension industry in Africa.

Mission

To promote professionalism through training, research and advocacy in Pension Management.
